

Access to Higher Education Diploma

Welcome to Access to HE at Wiltshire College and University Centre.

Please find below details of course related costs and items you may need to purchase ready for the start of term.

Enrolment

You will be sent an enrolment appointment to attend on of our campus enrolment dates.

If you have been given an unconditional offer, our Bursary & Student Funding Team will be in contact with you to arrange a fee assessment appointment to discuss any funding available for you and payment options, and they may be able to do your enrolment with you. If this is the case, you will not need to attend the campus enrolment appointment.

If you have been given a conditional offer based on achieving English and/or Maths qualifications, please bring your results with you to your enrolment appointment. During your enrolment appointment you will meet with a member of our enrolment team who will discuss any funding available for you and payment options.

Resource Fee

You will need to pay your £25 non-refundable Resource Fee before coming to enrol. This can be done on the online shop [Wiltshire College Online Shop](#) You will need to bring a copy of your receipt to enrolment as proof of purchase. If you cannot pay online, please pay by card on enrolment day.

Stationery

All students are required to provide their own personal stationery to include pads, pens and pencils and folders ready for the start of term. Course lecturers will advise of any specific requirements at the start of term.

Books

Book recommendations will depend on the Access to HE pathway that is being studied as each contains different academic units. We have a selection of appropriate texts in the Learning Resource Centre on each campus, and unit lecturers will be able to advise which will be particularly useful and recommend purchases.

Uniform

Science students may wish to purchase their own protective eyewear, although some will be available in each laboratory (and disinfected after use).

These can be purchased through the college shop [Wiltshire College Online Shop](#) or via online suppliers.

Trips

Some pathways may include trips to enhance the learning process throughout the year. These trips have historically been free of charge to educational groups, but we may make a

charge for specialist trips where costs are incurred. Students will be given sufficient notice of such fees if they arise.
